

Quality, Performance and Value

CATALOGUE 2019

Welcome to the world of V7

Great Performance and Value at low cost

At V7 high-quality and stylish products do not have to be expensive.
We make tech accessories more affordable so people can enjoy the latest that technology has to offer.

We are owned by Ingram Micro Inc. and because of this unique position, we can stand behind our products, leverage global operational excellence and yet be nimble enough to stay at the forefront of consumer demand.

Additionally, our strict environmental and labor policies, as a division of a Fortune 50 enterprise, demand the highest standards from our production and logistics partners so you can be confident in our responsibility to the environment and the way our workers are treated.

This approach has been the cornerstone of success for us for more than 20 years, with customers satisfied in 160 countries worldwide.

We are dedicated to technology, and continuously strive for one goal: Great Gear for All.

And now have fun browsing through our extensive product portfolio!

LED Monitors

V7 Full HD or 2K LED Monitors are designed with style and high screen performance for home, work and everything in between. The V7 mercury free LED monitors utilize a low power LED backlight contributing to a reduced environmental footprint while displaying sharp, dazzling images in high resolution. All monitors are mountable (VESA standard) to optimize your workspace and are a great value and they look perfect on every desktop.

Wallmounts and Stands

With functionality, flexibility, and ease of installation at top of mind, V7 mounts are designed with high grade durable materials that compliment the connected displays. Rigorous fatigue, load, and performance testing ensure safety and protection for the display. Manufactured at ISO certified facilities with high standard procedures for material handling and inspection.

V7 Low Profile Wall Mount with Tilt

- For 32" to 65" displays up to 35 kg
- VESA 100x100, 100x200, 200x200, 200x300, 300x300, 300x400, 400x400, 400x600
- -5° to +15° tilt, low profile - only 52 mm distance between wall and TV, easy installation with built in bubble level
- WM2T77-2E / J152495

V7 XL Tilt Wall Mount for up to 90 inch Displays

- For 32" to 90" displays up to 80 kg
- VESA 100x100, 100x200, 200x200, 200x300, 300x300, 300x400, 400x400, 400x600
- -5° to +15° tilt, low profile - only 45 mm distance between wall and TV, easy installation with built in bubble level
- WM3T175-1E / J153235

V7 Low Profile Articulating Wall Mount

- For 10" to 43" displays up to 25 kg
- VESA 75x75, 100x100, 200x200
- -5° bis +15° tilt, 360° rotatable, pull-out 180° swivel arm, flat design, cable management channel keeps cable organized
- WCL2DA55-2E / J152502

V7 Heavy Duty XL Low Profile Articulating Wall Mount

- For 32" to 65" displays up to 45 kg
- VESA 100x100, 100x200, 200x200, 200x300, 300x300, 300x400, 400x400, 400x600
- -45° to +45° swivel, 90° rotatable, heavy duty dual cantilever arms extends out and retracts back against wall, flat design, cable management channel keeps cable organized
- WCL2DA99-2E / J152501

V7 Wall Mount Gas Spring

- For 23" to 43" displays up to 30 kg
- VESA 75x75, 100x100, 100x200, 200x200
- Position the display further away from the wall, rotate and tilt effortlessly in any direction, cable management routes cables under the arm for clean clutter-free look, decorative cover conceals assembly and mounting hardware for a finished appearance
- WM1GSA-1E / J153760

V7 Sit-Stand Wall Mount Gas Spring with Keyboard Tray

- For 13" to 30" displays up to 8 kg
- VESA 75 x 75, 100 x 100
- Gas spring arm adjusts quickly and easily for the option of sitting or standing
- Swivel, tilt and rotate the screens to optimize viewing angle, micro level adjustment for precise alignment of the keyboard tray
- Cable management feature routes cables inside the arm and out of sight
- WWSS1GS-1E / J153758

V7 Sit-Stand Mount Dual Gas Spring with Keyboard Tray

- For 10" to 27" displays up to 6 kg per arm
- VESA 75x75, 100x100
- For 2 displays, swivel, tilt and rotate the screens, allows switching between seated and standing working position, key tray, cable management
- DW1SSGSD-1E / J153762

V7 Touch Adjust Monitor Mount

- For 17" to 32" displays up to 8 kg per arm
- VESA 75x75, 100x100
- Swivel, tilt and rotate the screens, simply touch to adjust your monitor without tools, cable management
- DM1TA-1E / J154066

V7 Professional Touch Adjust Monitor Mount

- For 17" to 32" displays up to 8 kg per arm
- VESA 75x75, 100x100
- Swivel, tilt and rotate the screens, simply touch to adjust your monitor without tools, cable management
- DMPRO2TA-3E / J154484

V7 Professional Dual Touch Adjust Monitor Mount

- For 17" to 32" displays up to 8 kg per arm
- VESA 75x75, 100x100
- For 2 displays, swivel, tilt and rotate the screens, simply touch to adjust your monitor without tools, cable management
- DMPRO2DTA-3E / J154485

V7 Dual Touch Adjust Stacking Monitor Mount

- For 17" to 32" displays up to 8 kg per arm
- VESA 75x75, 100x100
- For 2 displays, swivel, tilt and rotate the screens, simply touch to adjust your monitor without tools, cable management
- DM1DTAS-1E / J154062

V7 Dual Touch Adjust Monitor Mount

- For 17" to 32" displays up to 8 kg per arm
- VESA 75x75, 100x100
- For 2 displays, swivel, tilt and rotate the screens, simply touch to adjust your monitor without tools, cable management
- DM1DTA-1E / J154063

V7 Triple Swivel Desk Stand Mount

- For 10" to 27" displays up to 8 kg per arm
- VESA 75x75, 100x100
- For 3 displays, swivel, tilt and rotate the screens, solid steel base ensures safety and stability, easy height adjustment, cable clips keep cables and tools organized and protected
- DS1FST-1E / J153759

V7 Dual Desktop Monitor Stand

- For 13" to 32" displays up to 8 kg per arm
- VESA 75x75, 100x100
- For 2 displays, swivel, tilt and rotate the screens, free-standing design, multiple tension adjustments for stability, 360° rotation with height adjustment and tilt/swivel
- DS2FSD-2E / J154064

V7 Height Adjustable Riser Stand

- Up to 10 kg support
- Quick and easy height adjustment with stacking column base design up to 16,8 cm
- 43,5 x 33 cm stand area
- Raise monitor to eye level to increase viewing comfort, front slot holds most tablets and phones, store pens and other small items with side slots, non-skid foam feet protects work surface from scratches or scuffse
- DT1HARS-1E / J153763

V7 Sit-Stand Desktop Workstation

- Holds up to 15 kg and stays steady at any height
- Stable, solid design, spring-assisted lift mechanism that lets you switch from sitting and standing in seconds
- 90 x 50 cm stand area
- Spacious upper display surface and lower keyboard and mouse desk, completely assembled and sits on the desk - no mounting or special tools required,
- DT1SSB-1E / J153761

V7 Sit-Stand Essential Desktop Workstation

- Holds up to 15 kg and stays steady at any height
- Solid construction, spring-assisted lift mechanism that lets you switch from sitting and standing in seconds
- 80 x 61,5 cm stand area
- Preset hole supports monitor mount installation, squeeze handle effortlessly adjusts height, embedded grooves
- DT2SSB-1E / J154065

V7 TV Cart Height Adjustable with Tilt

- Mobilize up to 70" (177.8 cm) displays up to 50 kg
- VESA 75x75 up to 404 mm (adjustable)
- Height adjustable media shelf and camera shelf
- Tool-less tilt adjustment for effortless positioning and viewing angles
- Cable management system keeps cables out of the way or organized
- Heavy duty locking casters offer smooth mobility
- Dimensions/Weight: 840 x 785 x 1813 mm / 18,4 kg
- TVCART1-3E / J154483

V7 Thin Client Mini Computer Mount

- Integrate a thin client or small computer into a display mount for a space saving efficient complete workstation environment
- Depth adjustment and included straps fit a variety of thin clients, mini computers, media players, and other devices
- VESA bracket with 50x50, 75x75 and 100x100 mm holes to install behind display
- Use the pole clamp and attach to a mount pole or other circular tube firmly
- Mount it under a desk or to a wall
- Dimensions/Weight: 118 x 70 x 129 mm / 0,66 kg
- TCM1-3E / J154486

Privacy Filters

Improve your data security with the V7 privacy filters
New models compatible with touch screens and MacBooks

- Block out the view from either side of your screen without blurring or distortion
- Filters keep confidential information private
- Reduce the viewing angle to 60°
- Reversible: The matte side reduces glare (antiglare) while the shiny side improves clarity and color.
- Also includes Microfiber Cleaning Cloth & Mounting Tabs (unless magnetic).

Security Locks

V7 security locks offer a simple yet effective way to secure your Notebook, desktop PC, monitor or projector and are available with key or combination options, with a built-in lock slot, galvanized steel wire core and a plastic scratch-prevention jacket. The V7 locks are compatible with all Kensington™ security slots.

V7 Portable Security Cable with Combination Lock

- 2 meter, cut-resistant, galvanized steel cable with vinyl jacket
- 4-resettable digits – allows up to 10,000 combinations
- 90 degree pivot lock head – simple locking in tight spaces
- Rotating, swivel lock housing - easy to see combination
- Compatible with practically all security lock slots
- SLC4000-13EB / J152422

V7 Portable Security Cable with Key Lock

- 2 meter, cut-resistant, galvanized steel cable with vinyl jacket
- Easy locking push button with 45 degree angled lock head
- Comes with two identical vinyl jacketed keys
- Comes with three spacers for a perfect fit
- Compatible with practically all security lock slots
- SLK4000-13EB / J152423

Docking Stations

The UCDDS Universal USB-C Docking Station from V7 adds HDMI, Audio, Ethernet, and USB-C plus USB 3.0 to almost any computer, all from a single device. The universal docking station features HDMI and Displayport monitor outputs that can be used to expand or mirror your desktop for the ultimate in productivity. Both HDMI and Displayport outputs support video resolution up to 4K for a stunning display no matter what's on screen. This all-in-one solution combines USB-C and USB 3.0 ports, headphone and microphone audio connectors, and a Gigabit Ethernet RJ45 port into a single docking station, making it the perfect accessory for adding robust functionality for users who need to connect and manage multiple devices at home or at the office.

V7 Universal USB-C Dual 4K Docking Station with charging function

- Compatible with almost any PC via USB-C or USB-A cable
- Dual 4K monitor support
- Optional charging via USB-C with up to 65 W
- 2x HDMI, 2x DisplayPort, 2x USB-C, 1x USB-C in, 4x USB 3.0
- Gigabit Ethernet and 2.1 audio port for complete support
- UCDDS-1E / J154147

The UDDS-1 Universal USB 3.0 Docking Station from V7 adds DVI, HDMI, Audio, Ethernet, and 6 total additional USB 3.0 and USB 2.0 ports to almost any computer, all from a single device with a space saving vertical stand. The universal docking station features HDMI and DVI monitor outputs that can be used to expand or mirror your desktop for the ultimate in productivity. Both HDMI and DVI outputs support video resolution up to 2048x1152 for a stunning display no matter what's on screen. This all-in-one solution combines USB 2.0 and USB 3.0 ports, headphone and microphone audio connectors, and a Gigabit Ethernet RJ45 port into a single docking station, making it the perfect accessory for adding robust functionality for users who need to connect and manage multiple devices at home or at the office.

V7 Universal USB 3.0 Docking Station

- Dual monitor support with resolution up to 2048x1152 with HDMI, DVI-I output
- Total 6 USB Ports - 2 USB 3.0 / 4 USB 2.0 Ports
- Space saving design - Vertical stand to maximize desktop space
- HDMI, DVI Output and VGA Adapter
- Gigabit Ethernet and 2.1 audio port for complete support
- UDDS-1E / J153324

Powerbanks

More devices require more power- it's as simple as that. We've got you covered with a wide range of power products from V7. Surge protectors, portable power banks or back-up UPS systems – whatever your power needs are, we have a solution for you.

V7 20.100 mAh Ultra-High-Capacity 3Port USB-C Powerbank

- 20.100 mAh Lithium Ion battery with 5.8A output power
- Ports: 1x USB 2.1 A / 1x USB QC 3.0 / 1x USBC 3A
- 9 - 10 hours charging time, ca. 500 charging cycles
- Qualcomm Quick Charge 3.0 technology
- LED power indicator (consumption/remaining balance)
- Compact form-factor and non-slip, easy-grip rubber finish
- Weight: 400 g
- Dimensions: 165 x 60 x 22 mm
- PBLC20-4E / J153787

V7 10.050 mAh High-Capacity 3Port USB-C Powerbank

- 10.050 mAh Lithium Ion battery with 5.8A output power
- Ports: 1x USB 2.1 A / 1x USB QC 3.0 / 1x USBC 3A
- 4 - 5 hours charging time
- Qualcomm Quick Charge 3.0-technology
- LED power indicator (consumption/remaining balance)
- Compact form-factor and non-slip, easy-grip rubber finish
- Weight: 233 g
- Dimensions: 99 x 60 x 22 mm
- PBLC10-4E / J153788

V7 5.000 mAh Ultra-Portable Dual Port Powerbank

- 5.000 mAh Lithium Polymer battery
- Ports: 2x USB 2.1 A
- 2 - 3 hours charging time
- Built-in LED Light - great for emergencies
- Compact and lightweight
- LED power indicator power consumption/ remaining balance
- Weight: 169 g
- Dimensions: 132 x 69 x 10,5 mm
- PBS5-4E / J153789

V7 3-in-1 Combo Cable 1m Lightning / microUSB / USB-C

- Compatible with all USB-C, microUSB and Lightning charged small electronics
- Transfer speed up to 480Mbps
- Apple MFI Certified - protects your device and ensures quality charging/syncing
- High-quality copper wires maximize signal quality
- LTCMUSB1M-BLK-1E / J154265

Keyboards

When it comes to comfort, responsiveness and value, V7's line of keyboards is second to none. V7's easy-to-use keyboards feature a soft touch with tactile feedback for comfortable, responsive typing. With a simple interface, simply plug them in and enjoy exceptional performance.

V7 Ergonomic Wireless Set Keyboard, Mouse, and Keypad

- Reliable 24 GHz wireless connection
- Split ergonomic design - encourages natural hand, wrist, and forearm positions
- Reverse tilt angle on keyboard - to promote a relaxed, natural angle for your wrist
- Separate numeric keypad

RMWC9UG450-1E / J154589 (Glass Door)

V7 Rack Wall Mount 9U - Vented or Glass Door Enclosure

- Fully adjustable mounting rails and numbered U positions, with square holes for easy equipment mounting
- Optional casters can be installed for the option of rolling on the floor or under desks for versatility
- Removable top and bottom cable panels for a streamlined appearance
- High-grade, cold-rolled steel 22,5 kg cabinet / 450 x 600 x 635 mm / 90,7 kg weight limit
- RMWC12UV450-1E / J154588 (Vented)
- RMWC12UG450-1E / J154583 (Glass Door)

V7 42U Rack Mount Cabinet Enclosure

- Fully assembled, locking 42U cabinet with vented front door and rear split doors
- Adjustable mounting rails and numbered U positions and square holes for easy equipment mounting
- Easy-access removable side panels and removable top and bottom cable panels
- Integrated cable management throughout the cabinet
- High-grade, cold-rolled steel 120 kg cabinet 1070 x 600 x 2055 mm
- 1.400 kg weight limit
- RMEC42U-1E / J153374

V7 Rack Mount 4 Fan Tray

- Fan kit includes solid steel tray with 4 fans and AC power cord
- Provides extra airflow to help reduce heat build-up and prolong the life of the rack mounted equipment
- RM4FANTRAY-1E / J153393 (EU)
RM4FANTRAY-1K / J153394 (UK)

V7 Rack 2 Fan Set for Wall Cabinet EU/UK

- Provides extra airflow to help reduce heat build-up and prolong the life of the rack mounted equipment
- Installs easily to ceiling of V7 Wall Cabinets
- Powerful, quiet ball bearing fans with 40-44dB noise level rating
- RM2FANS-1E / J154584 (EU)
RM2FANS-1K / J154582(UK)

V7 Rack Mount Shelf 2U Vented

- Can hold up to 30 kg
- Allows equipment not designed for rack mount to be used with 19" rack mount
- Vented for effective air flow
- Mounting hardware included
- RM2SH2UV-1E / J153382

V7 Rack Mount Universal Rail 1U

- Adjustable Depth Rail for rack mount
- Allows equipment not designed for rack mount to be used with 19" rack mount
- Durable cold rolled steel material fits any 4 post rack mount
- Open design with rear cable management
- Mounting hardware included
- RMUR1U-1E / J153378

V7 Horizontal Cable Management

- Organizes cables on any 19" compatible racks
- Reduce cable clutter
- Easily run cables through with bendable finger ducts
- Mounting hardware included
- RMHCMS-1E / J153375

V7 Rack Mount Brush Panel 1U

- Organizes cables coming in and out of rack cabinet
- Keeps proper airflow circulation and dust and dirt out of your rack
- RMBRUSH1U-1E / J153377

V7 Rack 1U Blank Panel 10 Pack

- 10 Blank Panels for rack mount
- Adds cosmetic appeal to fill rack
- Keeps proper airflow circulation and dust and dirt out of your rack
- RMBLANK1U10-1E / J153373

Rack Casters Set of 4

- Enables V7 Wall Cabinet Racks and Charging Stations enclosures to be mobile
- Installs easily to bottom of V7 racks
- RM4CASTERS-1E / J154585

V7 Rack Mount 20 Pcs Extra HW

- Compatible with all square hole racks (EIA 310D)
- RMHW20-1E / J153383

UPS Systems

When safety and performance are paramount, V7 UPS systems are the first choice.

They provide uninterruptible power for mission-critical hardware in server rooms, data centers, and other critical systems, and protect against costly equipment failures or data loss in the event of power outages, voltage drops, and other power supply problems.

V7 UPS 1500VA Rack Mount 2U EU

- 1500VA Rack Mount UPS with Pure Sine Wave Output with 8 IEC Outlets
- Boost and Buck AVR automatically adjusts for under-voltage and over-voltage ensuring stable power and longer life batteries.
- ECO (Efficiency Corrective Optimizer) for energy saving and EPO function (Emergency Power Off)
- Programmable power management outlets maximize backup time to critical devices
- Audio & Visual alarms for immediate warning of battery, load, and other issues
- UPS1RM2U1500-1E / J153411

V7 UPS 1500VA Rack Mount 2U EU

- 3000VA Rack Mount UPS with Pure Sine Wave Output with 8 IEC Outlets
- Boost and Buck AVR automatically adjusts for under-voltage and over-voltage ensuring stable power and longer life batteries.
- ECO (Efficiency Corrective Optimizer) for energy saving and EPO function (Emergency Power Off)
- Programmable power management outlets maximize backup time to critical devices
- Audio & Visual alarms for immediate warning of battery, load, and other issues
- UPS1RM2U3000-1E / J153798

V7 UPS 1500VA Tower EU

- 1500VA tower UPS with Simulated Sine Wave Output with 8 IEC Outlets
- Boost AVR automatically adjusts for under-voltage ensuring stable power and longer life batteries.
- Energy efficient design
- USB connectivity to your PC for optional advanced monitoring and control
- Audio & Visual alarms for immediate warning of battery, load, and other issues
- UPS1TW1500-1E / J153797

V7 UPS 750VA Desktop

- 750VA Desktop UPS with 6 Outlets (3 battery backup • 3 surge only)
- Convenient and compact desktop design with touch screen LCD to display UPS information
- Efficient and eco friendly power.
- USB connectivity to your PC for optional advanced monitoring and control
- Audio & Visual alarms for immediate warning of battery, load, and other issues
- UPS1DT750-1E / J153410 (EU)
UPS1DT750-1K / J153412 (UK)

V7 SNMP Network Card for V7 UPS 1500VA/3000VA Rack Mount

- Allows control and monitoring of multiple UPS systems across the network from one computer
- Real-time dynamic graphs of UPS data (voltage, frequency, load level, battery level)
- Warning notifications via audible alarm, broadcast, Email and SNMP traps
- Historic event data log
- Password security protection and remote access management
- UPSSNMP1-1E / J15395

Surge Protectors

Protect your home/office electronics with V7's superior line of durable and strictly tested surge protectors. Ranging from 5 to 6 outlets, V7 surge protectors offer up to 1.050 Joules of protection and feature EMI/RFI filtering, along with a lifetime warranty. Pls. note that V7 Surge Protectors are only available with Schuko outlets.

- EMI/RFI noise filtering for optimized performance
- Connected equipment assurance
- Master power switch for smart power management
- Lifetime warranty

Lifetime Warranty
with Connected
Equipment Assurance

Please note, only available with Schuko outlets.

Protect your home or office electronics with surge protectors from V7.

Durable and thoroughly tested, the white 5- or 6-outlet surge protectors feature a thin profile, EMI/RFI filtering and offer up to 900 joules of surge protection, plus the flexibility of an up to 3 m cord.

Additionally, it features a built-in 15 amp circuit breaker to protect your equipment from over-voltage spikes, and mounting holes on the back of the housing for easy installation. The surge protector provide top-notch power protection and peace of mind – backed by a lifetime warranty and a € 50.000 Connected Equipment Assurance..

Charge Cart and Charging Station

The V7 Charge Cart and Charging Station allow you to easily secure, store and charge up to 36 resp. 12 notebook or tablet devices with up to 15" screens.

V7 Charge Cart for 36 devices with EU or UK plug

- Sliding shelves with flexible and durable device dividers allow you to easily store or remove almost any notebook or tablet
- Adjustable, efficient charging system for all of your devices from one plug while protecting circuits from overloading
- Cable management in the front device section and separate rear power section easily organizes power supplies and routes cables to each device
- Both the device section and separate rear power section feature steel doors with 3-point key lock mechanism and the option to add your own padlock for extra security
- 5" high-grade wheels with brakes, and handles on each side for maximum mobility
- Weight: 91 kg
- Dimensions: 845 x 752 x 1272 mm
- CHGCT36-1E / J154274 (EU)
CHGCT36-1K / J154275 (UK)

V7 Fan Kit

- Solid steel tray with 2 fans and AC power cord
- Provides extra airflow to help reduce heat build-up and prolong the life of the equipment
- Installs easily into V7 Charge Carts
- Powerful, quiet ball-bearing fans
- Mounting hardware included
- CHGCTFAN-1E / J154447 (EU)
CHGCTFAN-1K / J154448 (UK)

V7 Charging Station for 12 devices with EU or UK plug

- Versatile mounting options - wall mount, place on a table top, or stack two together with optional casters for mobility.
- Efficient power distribution for all of your devices from one plug
- Cable management easily organizes power supplies and routes cables to each device
- Secure locking door and power supply compartment keeps devices safe. Option to add your own padlock for extra security
- Easily store and charge almost any notebook or tablet with screens up to 15"
- Weight: 34 kg
- Dimensions: 610 x 430 x 525 mm
- CHGSTA12-1E / J154580 (EU)
CHGSTA12-1K / J154581 (UK)

Network Cables

V7 network cables are the perfect addition to your network at an unbeatable price-performance ratio in best brand quality. Reliability and first-class quality is guaranteed by strict production controls.

In addition, all network cables offer a lifetime warranty against material and manufacturing defects and ensure worry-free use.

Why V7 Cables?

• Selection

Choose from a wide variety of length and colour options.

• Pricing

V7 cables are competitively priced and affordable.

• Dependability

V7 cables are factory terminated and tested to ensure the highest levels of performance and reliability.

• Guarantee

V7 lifetime warranty against material or manufacturing defects keeps you worry-free.

V7 3-in-1 Combo Cable 1 m Lightning / microUSB / USB-C

- Compatible with all USB-C, microUSB and Lightning charged small electronics
- Transfer speed up to 480Mbps
- Apple MFI Certified - protects your device and ensures quality charging/syncing
- High-quality copper wires maximize signal quality
- LTCMUSB1M-BLK-1E / J154265

TRUE to the Original

Replenishment of the products your devices consume is necessary, but doesn't have to be costly. V7 Replace products offer serious value with uncompromising quality, leading selection and significant cost savings. Your printers, copiers, projectors and Notebooks work hard for you; keep them properly provisioned with budget-friendly V7 Replacement products.

Find all V7 Replacement products quickly and easily with the **Product finders** at www.V7-world.com.

DRAM Memory

Upgrading the memory in your server, desktop or notebook is one the most cost effective ways to boost performance.

Memory upgrades are quick and easy to install. Adding extra memory ensures that the operating system and applications run faster and smoother and is essential for applications such as gaming, HD video and image editing, graphic design, multi_tasking and manipulating large amounts of data. Upgrading is also an easy way of extending the life of your system

- Improve System Performance
- Designed for compatibility with various makes and models
- Easy Installation

V7 DRAM Finder

The 100% compatible memory for your device can be found at www.v7memory.com

*A V7 Legacy Memory Module is a module that uses no-current DRAM technology and is no longer in mainstream production by OEMS and / or third party suppliers. V7 is committed to providing a full memory upgrade landscape as part of our core product offering and as such, there may be occasions where we need to utilise professionally repurposed components. Any repurposed components are removed within a full ESD environment and then used to manufacture new modules. Alternatively, complete repurposed modules may be sourced. All V7 Legacy Modules are fully tested and warrantied under our stringent QA programme and are supplied with a non-dispute lifetime warranty.

*A V7 Legacy Memory Module is a module that uses no-current DRAM technology and is no longer in mainstream production by OEMs and / or third party suppliers. V7 is committed to providing a full memory upgrade landscape as part of our core product offering and as such, there may be occasions where we need to utilise professionally repurposed components. Any repurposed components are removed within a full ESD environment and then used to manufacture new modules. Alternatively, complete repurposed modules may be sourced. All V7 Legacy Modules are fully tested and warranted under our stringent QA programme and are supplied with a non-dispute lifetime warranty.

Notebook Batteries

V7's high-quality replacement notebook batteries are made from the highest-quality cells available and incorporate all of the standard logic boards, thermal protectors, thermistors and circuit breakers to ensure maximum levels of safety, reliability and efficiency. V7's wide selection is compatible with top-line products from all major manufacturers and meets or even exceeds original OEM specifications to provide longer-lasting quality and no memory effect.

Highest quality on cells, standard logic boards, thermal protectors, thermistors and circuit breakers incorporated to ensure maximum level of safety

Wide Selection

V7 offers hundreds of batteries for all major OEMs.

High Performance

V7 batteries are longerlasting, with no memory effect

Highest Quality

1-Year Warranty guaranteed

Why V7 Notebook Batteries?

- **Selection** - V7 offers a wide variety of batteries for notebooks from all major OEMs.
- **Pricing** - V7 offers leading price-performance ratio.
- **Dependability** - V7 batteries meet or exceed original OEM specifications.
- **Quality** - They are designed with the finest components available.
- **Performance** - V7 batteries are longer-lasting, without memory effect.
- **Warranty** - Each battery has a 1 year warranty against manufacturing defects.

Toner and Ink

V7 replacement toner cartridges deliver the highest level of quality in the aftermarket industry. Along with the largest selection of compatible cartridges available today, V7 products meet or even exceed original page yields and offer high performance at a fraction of the cost.

Retention samples for every batch kept and retested after 30, 60, 90 days and one year

Proven Performance

All production color- and density- matched to OEM specs using a spectrodensitometer

All cartridges post-tested on actual printers

Proven Performance and Quality - Significant Cost Savings

V7 cartridges are backed by over 40 years of high-performance manufacturing experience from ISO 9000/ ISO 14001 certified state-of-the-art facilities. Toners and key components are carefully selected, matched and verified for optimal system performance before a design is released to production.

After final assembly, every cartridge is tested in equipment like yours prior to packaging. High-strength cartons with protective inserts ensure a safe arrival from our warehouse to your delivery location. Each box contains easy-to-follow illustrated installation instructions.

By using our replacement toner cartridges, you are also helping to protect the environment by keeping reusable, non-biodegradable materials out of landfills.

V7 Toner Finder

You will find the right toner for you and your customers on our homepage:

Customer Service

At V7, we are committed to providing high quality products, but problems can sometimes occur even with the best products. We want to make sure that you are completely satisfied with your product purchase. However, should you encounter a problem, our technical support team makes service and support easy.

Technical Support

Our support team is here to help you. Our product experts will help you troubleshoot problems or give instructions on how to return the product to us.

For the fastest answer - just send us an e-mail:
techsupport@v7-world.com

Service and Repair

Most problems can be easily solved over the phone or by e-mail.

If our call center is unable to resolve your problem over the phone or by email, the employee will refer you to our service by providing you with a return or repair number. Edging service and repair methods depend on the respective product.

The call center agent informs you how you can pack the defective unit and send it to the responsible service center for repair.
